

Request for Discharge from Treatment Against Medical Advice (AMA) Ohio Territory

COMPLETION OF THIS FORM certifies that I, _____ (full name),
a _____ (describe your credentials), wish to
discharge ANOTHER PARENT'S CHILD from their medical and mental health treatment plan without the
authority of the child's parents and against the advice of the child's attending physician, endocrinologist,
psychiatrist, psychologist, bioethicist, social worker, case manager, and Children's Hospital team.

The medical risks have been explained to me by the Child's Parents, over 500 Witnesses, the Medical
and Behavioral Health Providers listed below, and the Child. I understand the risks. I have explained
to this child's parents and medical team that the risk of suicide, depression, anxiety, and assault is overblown. I
release the child's care team, clinic, and child's parents from any responsibility for all consequences which may
result from removing the child from their care plan under these circumstances.
